UTILITY BILLS ARE SENT OUT MONTHLY

Bills are estimated for the first two months of each quarter (a quarter is 3 months). Actual meter reads are used to calculate/reconcile the end of the quarter's bill. Meters are read at the end of the month in March, June, September and December.

You must have a final meter read done before you can close/final your account.

CURRENT WATER & SEWER RATES – 10/1/2017

WATER

All water customers have meters to measure actual water used.

You will be billed: **\$8.02 per unit (1 unit is 1,000 gallons)**

-AND-

READY TO SERVE - This monthly service charge is to maintain/replace meters. Readiness to Serve Charge is based on the largest size meter at the service connection.

___ \$ 3.33-1 inch or smaller meter ___ \$ 6.66-1.5 inch meter ___ \$13.33-2 inch meter
___ \$20.00-3 inch meter ___ \$26.66-4 inch meter ___ \$33.33-6 inch meter

SEWER

If you HAVE a meter you will be billed: **\$9.00 per unit (1 unit is 1,000 gallons)**

If you use under 9 units in a quarter (a quarter is 3 months) **you will be charged a minimum of \$77.07 per quarter for sewer usage.**

OR

If you are connected to our sewer system but DO NOT have a water meter you will be billed: **\$62.77 per month flat rate.**

IRRIGATION

Additional meter purchased for irrigation. Please contact the Clerk's Department for pricing/process to purchase the meter horn. This irrigation meter exclusively meters water used for outdoor watering and irrigation. You will be billed **\$8.02 per unit (1 unit is 1,000 gallons)**. Since the water does not enter the sanitary sewer system, you will be billed for water usage only.

HOWELL SEWER DEBT FEE

Fee of \$50.10 billed quarterly to parcels with homes in established sewer districts that are NOT tapped into municipal sewer lines.
