

****VOTING REQUIREMENTS****

VOTER'S REGISTRATION

To vote in any Howell Township Election, it is required that you be a registered Howell Township resident at least 30 days prior to the election date.

PICTURE IDENTIFICATION

DON'T LEAVE HOME WITHOUT IT

The Michigan Supreme Court recently ruled that a provision of Michigan Election Law which requires voters to present picture identification at the polls is constitutional and enforceable.

Beginning with a November 6th 2007 Election, voters are required to present picture identification as part of the application to vote process. The Election Inspector will check the photo and name appearing on the identification to verify the voter's identity.

Voters who do not have acceptable picture identification or are not in possession of picture identification must sign an affidavit prior to voting. For more information on this requirement, visit the State of Michigan Voter Information Center (MVIC) for all your election needs. <http://michigan.gov/vote>
